

1. SUBJECT

This Tariff shall apply to the activities listed below:

- Assessment of Personal Protective Equipment (hereinafter referred to as "PPE") compliance with the requirements of Regulation UE 2016/425 (hereinafter referred as REGULATION) Module B;
 - For III category PPE, production control in accordance with the procedures MODULE C2 or MODULE D.
- The amounts are excluding VAT.

2. GENERAL NOTES

The items provided for in the tariff are related to "standard" situations and may be subject to changes whereas ITALCERT finds elements of particular complexity or possible simplifications due to synergies in case of multiple certifications.

The amounts provided for the activities carried out by ITALCERT are explained as usual one by one in an economic offer transmitted in documented form (fax, email, ordinary mail).

- Italcert Regulation RG134

The Regulation is available on the website www.italcert.it or by request to banfi@italcert.it

4. UE TYPE CERTIFICATE

4.1 Certification request

The case applies to the application for certification of PPE which requires the issuance of a new certificate.

4.1.1 Analysis of technical documentation for each technical file or family of PPE, inclusive of visual examination of one or more sample of the PPE	€ 700,00
4.1.2 Additional analysis of technical documentation following the first evaluation (if applicable)	€ 90,00 / h
4.1.3 Type tests	To be quoted on the tests provided for
4.1.4 Issue of the EU-type certificate (Italian/English) including the test report (in Italian, if not differently agreed)	€ 700,00
4.1.5 Issue of a copy of the test report in another language	€ 300,00

NOTE 1: It is possible any specific reductions up to a maximum of 40% of the total compared to the amounts provided for the analysis of technical documentation and for the issue of certificates in the event that the application for certification provides for the issuance of more than 3 certificates.

NOTE 2: The translation of the EC type-examination certificate and of the test reports in other languages than English, it is not a duty. ITALCERT may deny any request received in this regard.

4.2 Changing the UE type certificate in force

The event applies to the amendment application of an UE certificate in force as a result of a new configuration of PPE certificates and/or to any range extensions (such as changes to the type certified). It also include the request of the issue of an EU type certification in compliance to the REGULATION from a previous CE type certification issued in compliance to Directive 89/686/EEC.

4.2.1 Analysis of technical documentation	Start from € 500,00
4.2.2 Type tests (if necessary)	To be quoted on the tests provided for
4.2.3 Reissue of the EU type certificate	€ 400,00

NOTE 1: The amounts related to the analysis of the documentation may be quoted for an amount more than € 500.00 and up to a maximum of € 1.000,00 according to the complexity related to the evaluation of the pre-existent documentation. Falling within this scope any questions about variants of PPE already certified where the manufacturer requires to be able to omit some tests on the base of analogies between certified PPE and new products.

4.3 Update of the EU type certificate in force

4.3.1 Updating following changes of the manufacturer's data (name, address)	€ 200,00
4.3.2 Updating following the sale of a business unit to another manufacturer	To be quoted according to the number of PPE certified

NOTE 1: The update of the EU certificate following the sale of a business unit is not an act due by ITALCERT, which has the option not to update the certificate

4.4 Renewal of the EU type examination certificate

4.3.1 Review of technical documentation	€ 400,00
4.3.2 Type tests (if necessary)	To be quoted on the tests provided for
4.3.3 Renewal of the certificate	€ 400,00

4.5 Other information

4.5.1 Issue of a letter of release, following modifications of PPE certificates without the updating of UE type certification, including the assessment of the updated technical documentation.	€ 90,00 / h (minimum 3 hours)
---	-------------------------------
