

1. OBJECT

This Tariff shall apply to the activities listed below:

- Assessment of Personal Protective Equipment (hereinafter referred to as "PPE") for the compliance with the requirements of Regulation EU 2016/425 (hereinafter referred as REGULATION) Module B;
 - For III category PPE, production control in accordance with the procedures MODULE C2 or MODULE D.
- The amounts are VAT excluded.

2. GENERAL NOTES

The items in the tariff are related to "standard" situations and may be subject to changes in the case ITALCERT finds elements of complexity or possible simplifications due to synergies in case of multiple certifications.

The amounts for the activities carried out by ITALCERT are explained as usual one by one in an economic offer transmitted in documented form (email, ordinary mail).

3. REFERENCES

All activities subject to this Tariff are described in detail in the Italcert Regulation RG134. The Regulation is available on the website www.italcert.it or upon request to italcert@italcert.it.

4. EU TYPE CERTIFICATE

4.1 Certification request

The case applies to the application for certification of PPE which requires the issue of a new EU-type certificate.

4.1.1 Analysis of technical documentation for each technical file or family of PPE, including visual examination of one or more sample of the PPE. The tariff includes a second evaluation (if applicable) following remarks.	€ 700,00
4.1.2 Surcharge to evaluation in case the PPE doesn't match with a standard not harmonized and/or not published by an European Standardisation Body.	€ 500,00
4.1.3 Additional analysis after the second evaluation, if applicable (lump sum)	€ 200,00 / h
4.1.4 Type-examination testing and issue of the test report in Italian or English	To be quoted on the tests provided for
4.1.5 Issue of EU-type certificate Module B (in Italian and English)	€ 700,00
